WE ASKED PEOPLE AROUND THE WORLD TO FILM THEIR LIVES. WE GOT 4,500 HOURS OF VIDEO FROM 102 COUNTRIES. ALL OF IT WAS FILMED ON THE SAME DAY – JULY 24TH.

Early in the morning in the US, a baby opened his eyes and looked at his mother. "Isn't he pretty?" she asked the camera. Around the world, people got up, and washed, and had breakfast. A 15-year-old boy shaved for the first time. He didn't enjoy it! A small boy kissed his mother on her birthday.

July 24th was a Saturday, so a lot of people didn't go to work. They relaxed and went to the park with their family, or went shopping. But other people worked hard, or cooked and cleaned. Some children played – but others worked. One small boy cleaned shoes on the street. One woman went to the hospital for an operation. Another woman waited all evening to talk to her husband on Skype. He was a soldier thousands of miles from home.

For some people, July 24th was a special day. A man arrived in Kathmandu. He was on a bicycle trip around the world. A woman did an incredible skydive. An unemployed man got his first job. A boy who was in college went home to see his father for the first time in three years. Another man asked his girlfriend to marry him. A man and a woman got married and had an incredible party.

## A Unique Culture

I studied for three months at Al-Ahliyya Amman University, in Amman, the capital of Jordan. It was a life-changing experience. Every day was a new adventure – very different from my life in the US. While I was there, I studied US politics in the Middle East, the history of the Arab world, and Arabic language.

People often ask me what my favorite memory is, but it's difficult to answer because there are so many! I loved riding a camel in the Wadi Rum desert and I went on an amazing excursion to Petra. The countryside was beautiful and completely different from where I live in the US. I also enjoyed the unique culture of Jordan. Of course, there were things that I sometimes found difficult, but everybody from Jordan was very understanding and friendly.

My recommendation for people who want to study abroad is to go to a country that is completely different from where you live and to stay as long as you can. I loved learning about another culture and I think studying abroad is a great experience.

Miriam really liked her job – it was very interesting. I worked from home, so I was with the children a lot and I loved it. In general, life was good. It was cheap – cheaper than in the UK. We joined a sports club, where the children learned to swim, and I played a lot of tennis, one of my favorite sports.

The people in Durham were very friendly. They often invited us to their homes. It was easy to meet people at the sports club, or at the university where Miriam worked. And there were so many new places to see! On weekends, we visited some of the beautiful national parks. They were very different from English parks! In one park there was a sign saying "don't disturb the snakes" – Sacha loved it!

I also remember a trip to a country music festival at a blueberry farm. It was fantastic. First we listened to the music, and then we picked a lot of blueberries – they're Elena's favorite fruit. But after that trip she didn't want to eat a blueberry for at least two weeks!

We stayed in Durham for a year. After that we returned to England because my wife's job finished. But we loved our life in the US, and we're thinking of going back there in maybe two or three years.
